

## WOMEN'S LEADERSHIP COUNCIL

WLC began as a national movement 12 years ago through United Way Worldwide to mobilize the caring power of women to advance the Common Good in their local communities.

**\$1 billion dollars  
has been raised over  
the last 12 years**

as women have identified and attacked critical needs in their local communities. Building upon the over 70-year history of United Way of Morgan County, this inclusive group of women is the first of its kind in the state of Alabama.

## WHAT WE FUND

Any woman can designate any amount to the general fund and join the Women's Leadership Council as a Woman of Action.

The voting members (Women of Prestige / Women of Distinction / Women's Leadership Council) determine the project in the community that will receive support.

Our fiscal year runs July 1 to June 30, in conjunction with the fiscal year of United Way of Morgan County. All pledges received within a fiscal year will be applied to the approved project the following year.
